

31st July, 1951.

To the Members of the Los Angeles  
Psychoanalytic Society.

Dear Dr. Tidd,

I am very touched by the shower of stockings and good wishes which reached me for my birthday from the Los Angeles Psychoanalytic Society. Please tell the Members of your Society how pleased I was to receive their letters and how very warmly I thank them for their thoughts of me on my 90th birthday.

Yours very sincerely,
