

MINUTES OF EXECUTIVE COUNCIL MEETING

July 5th, 1935.

Those present:

Dr. Simmel
Dr. Timme
Prof. Epstein

Dr. Brunswick
Mr. Libbin
Mrs. Libbin

The scientific meeting for July is to be omitted because of vacation time.

A provisional program for the scientific meetings beginning in September is drawn up as follows:

- 1) "Psychoanalysis and Psychiatry" Dr. Arthur Timme
- 2) "Freud's Metapsychology" (Structure of Personality and its Dynamics) Prof. Paul Epstein
- 3) "Fundamental Principles of Freud's Sexual Theories" Mrs. Marjorie Leonard
- 4) "Differences in the Outcome of Libido Development in Men and Women" Mrs. Frances DeRi
- 5) "Transference and Compulsion to Repetition" Mrs. Margrit Libbin
- 6) "Inhibition, Symptom and Anxiety" (Compulsion & Inhibition) Dr. David Brunswick
- 7) "Etiology and Prognosis of Neuroses" Dr. Ernst Simmel

Other tentative subjects:

- | | |
|--|-------------------|
| — The Problem of Addiction | Dr. Simmel |
| — The Problem of Anxiety | Dr. Simmel |
| ○ Symbolism, its Psychoanalytical Interpretation and Meaning | Prof. Epstein |
| ○ Relationship between Child-analysis and Pedagogy | Miss Estelle Levy |
| Castration Complex | ? |
| Psychoanalysis and Medicine | ? |

Scientific meetings are to be held on the third or fourth Friday every month.

The wording of the By-laws was put into shape.

(Dr. Timme was elected Honorary President, and accepted.)

Adjournment.

Margrit Libbin, Secretary
