Dear Dr. Fenichel:

Kind thanks for your reference: You are right - having on my desk for steady use: The Psya Theory of the Neuroses, & should have known better, if there had not been some factors causing this little slip: the more remarkable as I had hoped <sup>to be</sup> in the field of books and literature fairly all-right - in fact I used since a year this Bibliography often before - - -

Here is enclosed our First Annual Report of our Child Guidance Clinic - just

a modest beginning, but should  
demand my full time, but being  
so snowed under I can give to it  
only two afternoons & a night  
weekly.

The republication of Flagell's  
study on the International Language  
movement in his recent collection  
«Men & their Motives» made a most  
exciting & fascinating reading. To be  
considered as competent?

Best regards!
