Dear Dr. Simmel,

Very many thanks for sending me
your memorial address on Otto Fenichel,
which has reached me safely.

In the meantime I have given up
the editorship of the International Journal;
but I have handed the MS. over to my
successor, Dr. Adrian Stephen (1 Upper
Harley Street, London, W.1). I have no

doubt that you will hear from him
very shortly.

With kind regards,

Yours sincerely,

James Strachey
