Dear Mrs. Fenichel,

This is to announce the
arrival of your food-parcel, &
to thank you very much for thinking
of us. We are now, I think, ready
to stand a total winter siege!

My husband has just come back
from his last operation to his eye. I

am afraid it has not been very successful,
→ they do not think that they can do
anything more about it. This is really
what we have been expecting; & it has
not come as a great shock. Nevertheless
I wish that markets were born with

~~3/22/52~~ ← few more spare eyes!

We have been camp - most un-
English best - wave here. I enjoy it
thoroughly; but I wish there were more

ice - water in this land

with my skates again / in my
hand & say, I am surely

Al's Strady.
