Dear Dr. Fenichel,

We wish to call your special attention to the article, "Goethe on Rational Confusion," by Richard D. Loewenberg, which appears in the current issue of ETC.: A Review of General Semantics, a copy of which is being sent to you separately. This copy comes to you with the compliments of Dr. Loewenberg and of the Society for General Semantics.

We should welcome any comments you may care to make.

Sincerely yours,

S. I. Hayakawa
