M E M O R A N D U M

January 5, 1950

TO: Ernst Lewy, M.D.

FROM: Ralph R. Greenson, M.D.

I agree that we should have a meeting soon and that Dr. Kupper, Dr. McGuire and Dr. Tidd should be there, including all the others on the list, with the possible exception of Dr. Ruth Jaeger. I think for technical reasons she should not come. I also agree that Sugar should be left out, as should Sarlin, for the time being.

I think the meeting should be held some Sunday evening, early.

*Sunday 1-15, p.m.*
