SAN FRANCISCO 18,

Dear Dr. Jawets,

I am making arrangements to arrive in California about the last day of September. Your kind letter of 26th January seems to fix my talk to the San Francisco Society on 8th October. In this case I and my wife will fly to Los Angeles first and hope to fix the details with them in the first week of October.

I would be very grateful if you would be in touch with Dr. Van der Heide, because it may be that you will want to transpose these two visits of mine, and I will leave it to the two of you to decide and I will fit in with whatever you decide. The reason why I make this comment is that I understand from Dr. Bonnard that she is expecting to be in San Francisco on 8th October and I think it would be a pity if she and I were to clash with each other.

Unless I hear to the contrary I am therefore fixing up to arrive in Los Angeles at the beginning of the month of October and to be in San Francisco on 8th October. It may be that we shall go from San Francisco to Topeka on the way back to the east coast.

I will let you have an idea of the topic as soon as I am able to make a decision.

Naturally we are both very much looking forward to our visit.

Yours sincerely,

D.W.WINNICOTT.
