LOS ANGELES INSTITUTE FOR PSYCHOANALYSIS

LOS ANGELES PSYCHOANALYTIC SOCIETY

To: Board of Trustees, Institute  
Board of Directors, Society  
Members, Institute and Society

From: Maimon Leavitt, M.D., Chairman  
Joint Committee on Mutual Problems of  
Society and Institute

Enclosed is the revised and completed report of the Joint Committee on Mutual Problems of Society and Institute, which is submitted to the Boards and, at their request, to the membership. The report is in the form of the final proposal for revision of the By-Laws of the Institute, incorporating the reorganization proposals which have been presented and discussed over the past months. All criticisms and suggestions offered at, and following, the meetings in September have been taken into account and several have been incorporated into this final version.

Dr. Sperling, Director of the Institute, has placed this report on the agenda for the meeting of the Board of Trustees, January 12, 1967, for consideration and action. The report will likewise be on the agenda of the Business meeting of the Society January 17, 1967, for the same purposes.

With this report, the Joint Committee brings to culmination its work of the past two years. We should like to thank all those who have previously laid the groundwork for these efforts and those who have helped us in our work with suggestions, criticisms, exchange of ideas, and most of all, the encouragement of their confidence.
