LOS ANGELES INSTITUTE FOR PSYCHOANALYSIS

STATEMENT ATTACHED - SUPPLEMENT TO ITEM 2/AE - REGARDING FORM 990-A

EXCERPTS FROM MINUTES OF EDUCATION COMMITTEE MEETINGS:

February 13, 1950: Dr. Miller moved that another psychoanalytic institute be formed, Dr. Greenson seconded the motion and it was carried unanimously.

A declaration was made as to who forms the other institute and who does not join it. Another institute: Drs. Grotjahn, Miller and Romm. The Present institute: Dr. Brunswick, Mrs. Deri and Drs. Greenson, Lewy and Tidd.

Dr. Miller brought up the question of financial support for the other institute, and it was agreed that the other institute be given 3/7 of the treasury at the time that institute is officially recognized. Dr. Tidd pointed out that legally the present institute cannot transfer funds except to another non-profit organization.

There was also discussion about the library and it was suggested that the Ernst Simmel library remain intact in the present institute and that 3/7 of the cost of the library be added to the amount the other institute will receive.

July 13, 1950: Dr. Tidd asked for permission to turn over 3/7 of the cash balance as of June 30, 1950 in the amount of \$4,347.76 to the Institute for Psychoanalytic Medicine of Southern California and it was decided this be done after Dr. Tidd has talked with the lawyer and is satisfied that this institute is incorporated as a non-profit institution in the State of California.

July 18, 1950: Dr. Tidd delivered the check to Dr. Romm, Secretary-Treasurer of the Institute for Psychoanalytic Medicine of Southern California, on July 17, 1950, and received a copy of their Articles of Incorporation (incorporated under the laws of the State of California as a non-profit corporation on May 23, 1950).

January 11, 1951: Dr. Tidd sent check for \$1,176.85 to Dr. Romm, Secretary-Treasurer of the Institute for Psychoanalytic Medicine of Southern California, constituting 3/7 of the value of the furniture, fixtures and library.
