Windholz case

A dream of pt of an. being a
woman with a mustache
indicate awareness of supervision?

pt afraid an. will seduce her

an. no longer able to deny
incestuous f. towards analyst
panic ensues an. got her into
competitive struggle with analyst
bro

she took over an. completely

hours. att. to me
permitted pt to ignore interpretations
acting out self-analysis
protection against closeness to
an. bro

Repressed infantile expt for transf-
Reality of supervision remained
unanalyzed

as well as projected in practice
