Time: Thursday, December 16, 1965, 8:15 p.m.

Place: 344 North Bedford Drive, Beverly Hills

Speaker: Bernard W. Bail, M. D.

Subject: "The Psychoanalysis of a Bequest: A Study in Reparation"

The author describes the analysis of a dying patient. Hand-in-hand with this event, he shows how the patient came to endow a scientific organization with a bequest.

It is this particular entity - the importance of restitution in the mental life - that he details, giving its roots, its structure, its dynamic meaning to the patient.

Copies of this paper will be available in the Society office (\$1).

Discussants: Maimon Leavitt, M. D.
King Mendelsohn, M. D.
Helen Tausend, M. D.
