1. Financial situation is bad. Institute helped many refugees (colleagues).
2. To raise money, we've decided to approach foundations and individuals. Initiated several projects. One is enclosed. (not attached).
3. Maybe you can raise some money privately. Suggests official Jewish organizations, though they may not be sympathetic to the idea. (Refers to another idea in the project that was not enclosed — cf. Par.2).
4. Discussed the work with Karl Menninger. Refers to a possible experimental film.
