
from the office of DR. MAXWELL GITELSON

55 EAST WASHINGTON STREET
CHICAGO 2, ILLINOIS

October 9, 1956

Dear Harvey:

In Volume V of the Psychoanalytic Study of a Child you will find a paper by Dr. Loewenstein entitled "Conflict and Autonomous Ego Development During the Phallic Phase" in which there is a reference to a case about a first deciduous tooth. I hope this will interest you from the standpoint of the problem of the ego.

Sincerely yours,

Max
