Dear Ernst,

we all missed you very much,
and - as I had told your wife and
Dr Evans - I was most eager to
see you for a moment. However,
on Sunday I had all the symptoms
of a cold and took to flight (in
both its meanings). I am going to be
in LA in Feb or March and hope
to see you then, unless you decide
to come up here before that time.
Nichts für ungut, gute Besserung,
and good luck.

Yours, Erik
