Dear Mrs. Duff:

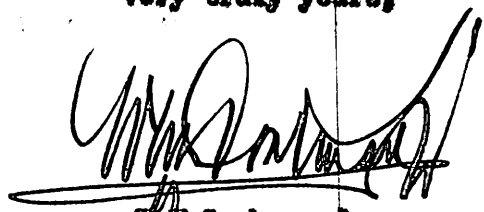

We are glad to speak in behalf of Mrs. Margrit Libbin who has been a valued depositor at this Office of the California Bank since December 16th, 1927.

Mrs. Libbin maintains satisfactory accounts in both our commercial and savings departments; commercial account - average daily balance in medium three figures; term savings account - average balance in low four figures.

During the twelve years of her banking relations with this Office, she has always conducted her accounts in a very orderly manner and all dealings have proven entirely satisfactory. In our opinion we believe her to be strictly honest, dependable and conscientious in all of her business dealings.

We are pleased to recommend her for your consideration.

Very truly yours,

V.W. Cookman Jr.
Manager
