

L. A. Study Group

Doctor Fenichel asked me to make this statement and send two notarized copies to him. I discovered that this had to do with the agreement between the members of the Study Group and Doctor Fenichel originally. Doctors who come for training are referred to Doctor Fenichel, and instead of paying the Study Group and having the Study Group pay Doctor Fenichel, people in training pay Doctor Fenichel directly. In addition to that, Doctors Brunswick and Simmel made a personal guarantee of the \$250 per month.
