July 3, 1947

Dear Hanna:

This is just to notify you that Eva's plans have become uncertain and she does not know yet whether she will really come to California. I am rushing to tell you this because I don't want you to make any plans taking her into consideration while she is so uncertain.

How are you? I hope to hear from you soon. Today only so much because I am in a great rush.

Very cordially yours,

Annie
