Mr. Erik H. Erikson
Austen Riggs Foundation
Stockbridge, Mass.

Dear Erik:

My filing system has been extremely inefficient lately and I don't know whether I answered your nice note telling me about your titles or not. I rather think I didn't, and this is the "thank you" for letting me know so quickly, and also to express my great disappointment that again I am not going to see you in Stockbridge. I would certainly like nothing better than to stay until May 25th, but you know that patient's lives have priority over the analyst's except on very rare occasions. So I can only hope that things will work out differently next time.

I imagine that you are already in Norway by now and I hope that it is going to be a most satisfactory trip for you. My very best to you and Joan,

Yours,
