

March 12, 51
AUSTEN RIGGS FOUNDATION
STOCKBRIDGE, MASSACHUSETTS

Dear Hanna,

I had to cancel my last trip to Pittsburgh because of a railroad strike, but I wrote to Spock, and I hope that he changed his mind.

My "titles and positions," etc can best be condensed thus:

Prof. E. H. E.
Austen Riggs Foundation, Stockbridge, Mass
and University of Pittsburgh School of Medicine.

If you prefer exact positions, then "Senior Staff" should precede the Riggs, and "Professor of Psychology in Departments of Psychiatry and Psychology" (unbreath) Pittsburgh, in which case the Prof before the name is omitted. But what the h.

We would like so much to see, but we leave March 31st for Europe, to get in on the off-season ticket, because I am going to do a little work in Israel before, and in Germany after, Oslo. Please stay East until our return, May 25!

As ever
Erik
