Dear Dr. Kurth:

Dr. Simmel asked me to write to request a favor of you. If the books we ordered from you on Tuesday, December 31, have not been sent as yet, could they be sent by American Express, so that we can have them as soon as possible? Dr. Simmel wants to send these copies to a number of people without delay, and he would appreciate very much whatever you can do to facilitate their prompt shipment.

Dr. Simmel sends his best regards.

Sincerely yours,

Secretary to Dr. Simmel
