Dear Dr.-----

I suppose by now you have heard that all is not smooth sailing in our local Institute. In order to give you a clear picture of the situation, I am enclosing a letter which we have sent to Dr. Bibring. While we did not wish to air our local grievances, we had to do so since Dr. Bibring requested that we give him the reasons for the split. Will you be kind enough to read the statement attached to the copy of the letter to Dr. Bibring. When the opposing group told our students in training that we were incapable of teaching that was bad enough, but to be accused of not being psychoanalysts--that is really something!

Looking forward to seeing you in Detroit.

Sincerely,

signed May E .Romm
