

COPY to DR. ERNST SIMMEL

December 11th, 1939

Dr. Robert P. Knight,
Meninger Clinic,
Topeka, Kansas

My dear Dr. Knight:

Dr. Ernst Simmel informed me that the Topeka Psychoanalytic Society has offered to keep a record of the non-medical analysts in California.

He suggested that I send you a complete resume of my educational background and of my experience.

It makes me very happy to do so.

- 1930- --A.B. University of Southern California.
MAJOR, Psychology; MINOR, Biology
- 1931- --M.A. University of Southern California.
MAJOR, Psychology and Psychiatric Case Work;
MINOR, Research in Anatomy of the Nervous System
Thesis; Psychological Mechanisms Involved in
Juvenile Delinquency. (Data gathered while
employed in Los Angeles Juvenile Court).
- 1932- --Research in Psycho-pathology at University of California,
Berkeley. (Work done in Oakland Health Center).
- 1933-'34 --PH.D. University of Vienna
MAJOR, Psychology; MINOR, Ethnology
Thesis; Development of Coordination in Newborn Babies.
(Published in "Die Zeitschrift fur Allgemeine
Psychologie", 1934).
- 1933-'34 --DIDACTIC ANALYSIS (in Vienna) with Dr. Siegfried Bernfeld.
Brief period of work with A. Aichhorn.
Attended all Seminars at the Vienna Psycho-
analytic Institute.
- 1934-'39 --In Psychoanalytic Practice, with controls by:
Dr. Ernst Simmel and Frances Deri.
- Regular member, Los Angeles Psychoanalytic
Study Group.

I will welcome all opportunities for cooperation.

Sincerely yours,

1334 N. Harper Ave.
Hollywood, California

Edgar E. Daniels
