My dear Doctor Tidd:

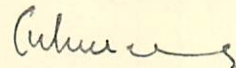

I am approaching you on behalf of the Board of Editors of SAMIKSA - the quarterly journal of the Indian Psychoanalytical Society - with the request to honor us by contributing an original paper. The journal is published in English and is now in its third year. Among its previous contributors are: Ernest Jones, Paul Federn, Martin Grotjahn, Geza Roheim, Melitta Schimberg, Edward Hitschmann, Fritz Wittels, Edmund Bergler, Edoardo Weiss, etc. Would you be so good as to join us?

We wish we could send you a complimentary copy of the journal, but, unfortunately, we cannot afford to do so. Perhaps at this time I could also persuade you to subscribe to the journal and thus help us additionally in our humble efforts to carry on our work in the field of psychoanalytic research and education. \$6.50 per volume of four parts.

I am looking forward to hearing from you before long.

With very kind regards and best wishes, I remain

Sincerely yours,

C. V. Ramana
