Dr. D. W. Winnicott  
87 Chester Square  
London, S. W. 1., England

Dear Doctor Winnicott:

Mrs. Margarete Ruben has informed me that you plan to be in California in April, I believe around Easter time, and that you had indicated to her your willingness to talk to the Los Angeles Psychoanalytic Society.

A suitable honorarium is provided for speakers to the Society and we should be delighted to hear you speak.

Will you please communicate with me regarding your plans and the possibility of your addressing the Los Angeles Psychoanalytic Society.

Sincerely,

Maurice N. Walsh, M. D.  
Chairman, Program Committee
