Dear Dr. Van Leeuwen:

I am writing to you in my capacity as Chairman of the Program Committee of the American Psychoanalytic Association, and would like to invite you officially to participate in the Panel, THE ANALYST'S EMOTIONAL LIFE DURING WORK: COUNTER-TRANSFERENCE, EMPATHY AND PROJECTIVE IDENTIFICATION, which is to be chaired by Dr. Douglass W. Orr. Incidentally, all prospective Panelists are being invited on the basis of a thorough discussion and recommendation by members of the Program Committee, Dr. Orr and myself.

This Panel is planned for the May 1973 meeting in Honolulu, Hawaii. The exact day has not yet been decided upon.

I am certain that Dr. Orr will be in direct touch with you as soon as he has heard that you have agreed to serve upon this Panel so that more detailed planning can be initiated. He has many interesting ideas about the format for this Panel which I am sure he will be eager to share with you. I would, therefore, be very grateful to you if you would let me have, within the very near future, a letter hopefully in the affirmative in regard to your participation on this Panel. I would then be in a position to forward this to Dr. Orr or if you should be unable to participate, I could give consideration to other possible Panelists.

I would like to thank you in advance in anticipation of an affirmative response in the near future.

Cordially,

Nathan P. Segel, M. D.
Chairman
