

7
Thus in the Trausf pt's React strongly
to absences, an. or their own, particularly
if they do not take initiative

and to sexual arousal - repress sex. f.
towards an. in Trausf - diff. to deal
with for pt -

an. in less rel. stimulated by prep
an., being confronted w
evidence that parent is sexual
arousing envy, hatred,
distance
Sexual love
Whatever

Similarly an. React to pt's Reaction
to interruption
pregnancy
