TO: Members of Discussion Group, PSYCHOANALYTIC CONSIDERATIONS  
ABOUT PATIENTS WITH ORGANIC ILLNESS OR MAJOR PHYSICAL HANDICAPS

FROM: Pietro Castelnuovo-Tedesco, M.D. PCT

The December 1984 meeting of our Discussion Group will feature two presentations about patients with congenital defects. Summaries of the presentations are enclosed. The presenters will be Dr. Kato Van Leeuwen, of Los Angeles, and Dr. Samuel E. Rubin, of New Orleans.

I am looking forward to seeing you all soon.
